

Great West Division Relay For Life Grand (\$1,000) Club

Ask your staff partner for details.....be a member of our elite club!

What is the Grand Club?

The Grand Club is an individual recognition program for those who raise at least \$1,000 each Relay season. (Both online and offline donations count towards the program.) Because they directly impact our Division's fundraising efforts, each Grand Club member is recognized and rewarded in a variety of ways!

How do I begin:

- 1) Start fundraising immediately. Be sure to reach out to everyone you know. Help them understand the importance of the American Cancer Society and how we are saving lives!
- 2) Log onto RelayRumble.org and find your Region. Once there follow the Regional instructions on how to be included in the Grand Club. Most Regions capture Grand Club data right on this site. Look for the RED star denoting the club!!
- 3) Continue fundraising and creating healthy competition with your team mates. Encourage each other to reach more!

How is my \$1000+ donation used?

- Over 90 Cancer Resource Centers in the GW Division
- Over \$40 million spent to fund research in the GW Division
- Online Patient Navigator Program for finding local free resources
- Helps fund the National Cancer Information Center (NCIC) a 24-hour help center that provides resources, health planning, information and full time cancer specialists
- Funds Cancer Prevention Studies (CPS) to aid in finding a cure for cancer
