

Cancer is a **Journey** but you *don't* have to make it *alone.*

More than two million people will be diagnosed with cancer this year, and three out of five will beat it. The American Cancer Society Relay For Life[®] is a community gathering where everyone can join in the fight against cancer. We invite all cancer survivors in our community to celebrate life with friends and family at Relay For Life.

Come take a survivor victory lap and receive a free t-shirt!
