

# Mini-Relay Kit: Bringing Relay and Cancer Prevention to Schools

- ★ *Are you a team captain looking to raise an additional \$1000+ for your team?*
- ★ *Are you interested in getting youth involved with community service?*
- ★ *Do you want to bring a message of cancer prevention into our schools?*

**We have an easy answer for you...**

## MINI-RELAY!

The Mini-Relay Kit is fully packaged in a fun, flexible and easy to understand kit. It has everything a school will need to help raise money, including: sample letters, fundraising ideas, exciting activities, theme ideas and so much more!

The Mini-Relay kit can be used year-round, with schools having the option to dedicate a week, day or just an hour to the event.

The Mini-Relay Kit is not just about raising money, it contains informational and fun worksheets/activities to help educate children on Tobacco Prevention, Sun Safety, Nutrition and Physical Activity

**Remember:** Whatever the Mini-Relay raises...goes to your team!

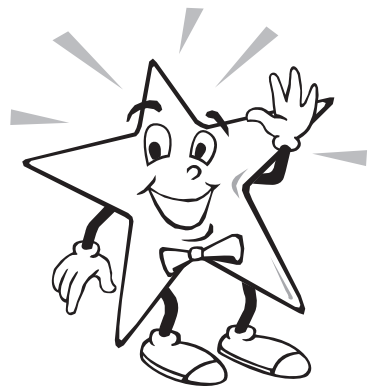

*"Mini-Relay is our greatest opportunity to engage youth in the fight against cancer."*

**Give your teams fundraising a jump start and hand a Mini-Relay kit to a school contact today!**

**Mini-Relays are raising over \$10,000 each!**

*There are over 120,000 Elementary schools across the country- Imagine the potential.*

*"I loved having a Mini-Relay at my school; it was the only thing that brought together all the students, faculty and parents. It is the best thing we have EVER done in my 16 years of teaching!"*
